The Housing project is currently at the information gathering and community engagement stage with a hope that if the Town gets some of the grants it has applied for it can use those larger amount of funds to start turning all the ideas into potential plans. Everyone is aware of the housing challenges we are facing as a community and this project hopes to hear everyones ideas and find a way we can address those challenges and make sure any housing project is in the character of Finland MN and beneficial to us all. Currently the Town has contracted with Erik who is doing research, building networks, and applying for additional grants.

VI. New Business

A. Annual Donation Recommendations:

1. Silver Bay Library: Shannon

- a) There are 173 registered library users from Crystal Bay Township. In 2022, the library had 42 different take and make and stay and make programs that served 1167 people. We had 87 in-person programs that served 1450 people. And our big news is that we are working on a renovation and expansion of the library that will update the interior, add two small meeting rooms and one large

multi-purpose room (a total of 750 sq ft.) The project is slated to start this summer! The township's support helps keep the library services available to the community. Thanks for the support.

- b) MOTION: to continue the regular annual Township donation of \$2500 to the Silver Bay Library. Motioned by Karl Klinker, Seconded by Patti Paulson, Passed by voice vote.

2. North Shore Area Partners: Lise

- a) We are an aging community and so the need for these types of aging in place services. NSAP directly serves 400-500 people in a given year. Full report attached.

- b) MOTION: to continue the regular annual Township donation of \$2000 to the Finland Historical Society. Motioned by Karl Klinker, Seconded by Michelle Duhant, Passed by voice vote.

4. Lake County Rescue: Carrie & BJ

- a) Membership particularly of Finland area folks has been dwindling and there is a real need for continued support and more members from the Crystal Bay area. The rescue squad is all volunteers and assist on emergencies where the ambulance can't drive to and also provide search and rescue services in collaboration with the County Sheriff's department.

- b) MOTION: to increase the regular annual Township donation to \$2500 for the Lake County Rescue. Motioned by Randy Josophson, Seconded by Honor Schauland, Passed by voice vote.

5. Nature Childcare: Ellie

- a) We now have child care in Finland! Finland Community Nature Childcare opened back in February 2022. The facility is in the old forestry building owned by Lake County. There has been lots of development and growth in this first year of operation. Have served 13 families. The loan received from Crystal Bay Township has been a great help in early cash flow. There are many other grants and donations that have helped support the startup costs in addition to the fees charged to families. Efforts like this loose money until there is stable enrollment and so support during these startup years is particularly helpful. Capacity is filling up for the summer.

- b) MOTION: to start a regular annual Township donation of \$1000 to the Finland Community Nature Childcare. Motioned by Lori Walewki, Seconded by Honor Schauland, Passed by voice vote.

NORTH SHORE AREA PARTNERS

helping older adults live independently at home

Crystal Bay Township
PO Box A
Finland, MN 55603

March 14, 2023

To the community and leaders of the Town of Crystal Bay,

North Shore Area Partners is in its 20th year as a nonprofit serving older residents in northern Lake County by offering information, opportunities, and support for them to live well in their homes for as long as possible.

We believe that communities are enriched by the presence of elders in our midst, and we hope you will support us in making this happen.

Our service area extends from the Gooseberry River to the Cook County border, and includes Finland, and Isabella. We provide direct assistance such as transportation, Meals on Wheels, grocery delivery, housekeeping, home care, and one-on-one care navigation and caregiver counseling. We have a variety of resources available such as tech help, legal aid, tax preparation, a medical equipment loan closet, and emergency phones. We have begun offering a wide variety of social, educational, and wellness-related activities at our facility in Silver Bay, and we recently began offering a monthly senior meal at the Clair Nelson Center.

We are committed to providing services to all older adults, throughout our entire service area and regardless of income level. To do this, we seek grants and funding from a variety of sources, both public and private. We appreciate the support of Crystal Bay Township in the past and hope you will continue to find value in the service we provide to your residents.

Best regards,

Lise Abazs
